

Yarning about the NDIS

These videos, fact sheets and brochures say what the NDIS is and who can use it.

The videos have information about:

- what conditions the NDIS can support
- who might be able to use the NDIS
- services people can use through NDIS plans
- how the NDIS offers everyday support for everyday needs.

The videos are in English and Pitjanjatjara, which is spoken by some First Nations people in the Western Desert.
